

RDD310/EH
RDE410/EH

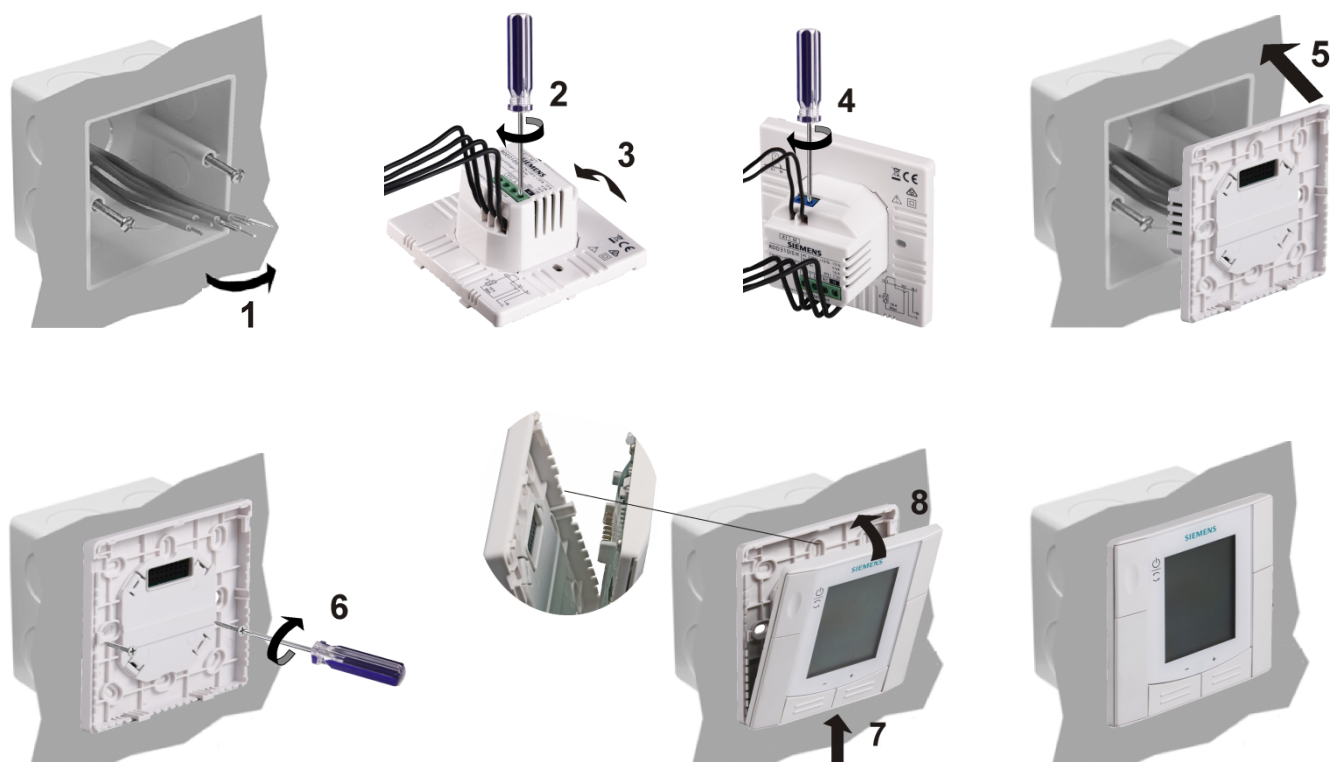

Mounting Location of Thermostat

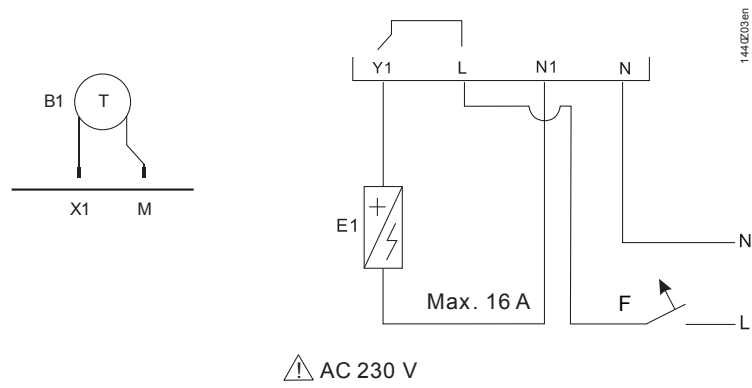

Preparation and Deliverables

Semi-Flush-Mounting

Wiring Diagram

Legend

L	AC 230 V
N	Neutral
E1	Valve / actuator / floor heating device (Max. 16 A)
Y1	Live connection for the valve / actuator / floor heating
N1	Neutral connection for the valve / actuator / floor heating
B1	External temperature or floor sensor device
X1	Measuring input for the external or floor sensor
M	Measuring neutral for the external or floor sensor
F	Fuse or circuit breaker (Max. 16 A)

Dimensions in mm
